## Fostering Individual Greatness

### Imagine

In the Basic Seminar, we all built a workshop, a place to use our imagination. Everything starts with a thought, and when followed by an action, produces the results in our lives. When we allow our imagination to be free and just see the end result, great things begin to happen.

Can you imagine the Basic Seminar being held twice a month and IPI every month? I can see it so clearly and, in addition, how exciting it would be to see that many lives being changed each month.

Imagine the energy produced by empowering all of those people! Our community would be transformed quickly.

Imagine the great things done at the family level, in the workplace, and the world. We definitely could use more positive leadership and you can never get too much of a good thing.

Imagine Life Success as the center for positive improvement recognized by experts across the nation. Now close your eyes and imagine yourself as one of the links in the success. See yourself and 999 other people replacing yourself in Basic each year – 1,000 grads acting as a champion and helping someone attend Basic.

What better way to change the world than starting with our own world. As Steve

Mike Monahan,  
executive director

Sherwood talks about in IPI, “Change your world.” Do yourself and someone else a big favor. Imagine changing a life and take action to make it a reality. Be a part of the future and join the 1,000 champions who replace themselves in Basic in 2008.

### Annual Meeting for Members

Each year an annual meeting is held for the members of Life Success. Many of you are members, many are not.

A lifetime membership to Life Success is \$100. For this you will receive special invitations to events but, more importantly, you will have a say in what goes on at Life Success. Members are allowed to vote and to attend the annual meetings.

During the meeting we will

elect new board members. Tim Hecker will give a president’s address and Mike Monahan will speak on our past and future vision. A financial report will be presented and any other new business will be brought before the board.

This year the meeting will be held on January 24. Each member has been sent a packet with details. If you are not currently a member, you

still have time to attend. Call Nancy Monahan at 513.874.0555 for more information.

The annual meeting is always a great time to catch up on news from Life Success and connect with friends and alumni. We hope you will join us!

## Silent Auction A Success!

*"The Life Success Seminars Board of Trustees wants to thank everyone for your help, your participation, your presence and your continued support of Life Success Seminars."*

Thank you to everyone who attended the Life Success Holiday Party/Silent Auction. This was our third annual Holiday Party, and even with the nasty weather there was great attendance and lots of fun.

Santa came to spread some holiday cheer after Basic celebration which put everyone in the festive spirit. With a DJ playing music, drinks and plenty of food, guests were easily able to mingle, talk to new friends and reunite with old acquaintances. Fabulous door prizes were available as our little elves scurried around the floor trying to sell as many tickets as possible. Nancy Monahan and her sis-

ter, Leslie, spent countless hours behind the scenes and put on the most incredible display of silent auctions items.

Just a few of the items on the tables included beautiful homemade and Silpada jewelry, gift certificates for massages and haircuts, golf outings, kids toys, paintings, books, sports memorabilia, a family Zoo pass, Reds tickets, and even dinner with Mike Monahan and Steve Sherwood. Yes, ladies and gentlemen, Mike and Steve are once again going to prepare a dinner for eight for some lucky folks. Last year I heard it was definitely a night to remember. How would you like to have

them whipping up a meal for you and your friends? Hopefully you'll be able to join us next year in all the festivities.

We thank everyone who bid and won the auction items. Almost \$9,000 was raised and we couldn't have done it without your involvement.

This wonderful event happens each year after celebration of the December Basic. We accept auction items throughout the year and will be contacting you in 2008 to see if you would like to donate any of your specialties. Again, the Life Success Seminars Board of Trustees wants to thank everyone for your help, your participation, your presence and your continued support of Life Success Seminars. May 2008 be a very happy and prosperous new year for all of you!

## Graduate Spotlight: Meg Morris

We often receive letters or e-mails from out-of-town graduates who check in from time to time. We love to keep in touch with grads and hear what they are doing. The e-mail below is from a recent grad.

Seattle, Washington

Dear Mike and Life Success,

Basic was a very moving experience for me. I am still sure that I didn't get everything that could be had out of it – I got what I could at the time.

As you may recall, my presenting issue last January was life transitions – some I was choosing, some I was not – and a search for tools and a way to be at peace with myself amid all the change. Four months and thousands of miles later, I have let go of the relationship I was clinging to,

left my job of nearly 20 years for a better opportunity (after evaluating two very compelling and very different offers), and made a move from Cincinnati to Seattle – just for me.

In the middle of it, I was fortunate to have time with my family to celebrate my grandmother's 100th birthday, so that was a chance to reconnect and strengthen connections with family members. My mom and I had a talk that I should have initiated eight years ago, and dealt with some differences that had

kept us from becoming truly close and accepting each other as adults.

I'm sitting in my new apartment with my two dogs, and have an overwhelming sense of gratitude for the opportunity to spend some very intense time with you and the others of my January 2007 Basic class. I know that I would not be here, and would not be as whole as I am right now, had I not participated. Life Success' presence was a great gift. Now I am giving myself the gift of only putting those things and people in my life, and actually in my new apartment, that I choose to have here.

I'm looking forward to coming back for IPI soon. Until then, I send my warmest wishes to you and the organization for continued health, growth and peace.

Best,  
Meg Morris

## WCCC Has Joint Venture With Cincinnati Business Courier

Don't forget the West Chester Conference Center kicks off its joint venture with the Cincinnati *Business Courier* this month. The monthly networking breakfasts will be held on Tuesday mornings from 7:30 a.m.-9:00 a.m. We expect the turnout to be even bigger with the involvement of the *Business Courier*.

A speaker will be featured each month, with plenty of time for networking after. As always, there is a full buffet breakfast with plenty of hot coffee. If you pre-register the cost is \$15 or it is \$18 at the

door. To register, e-mail Michelle Aufdenkampe at [Michelle@WCCConfCtr.com](mailto:Michelle@WCCConfCtr.com) or call her at 513.942.4567.

Doug Bolton, editor of the *Business Courier* will be our speaker, January 15, 2008.

"The *Business Courier* is excited to be partnering with the West Chester Conference Center in 2008. The breakfast series is something our readers will want to know about and attend and the content will provide guest with tangible information they can use as soon as they get back to the office," said Joe Hof-

## Champions Club

Consistently grads ask us, "How can I be more involved?" Most organizations have a tough time finding people who want to volunteer. Conversely, we often have difficulty finding ways for our grads to volunteer. Recently we gathered a group of grads to propose an idea about how to help people volunteer, get better results, and be a leader in their own life and in Life

Success. Out of the group came the idea for the Champion's Club and the ground-work was laid.

In a sense, being a champion is like being a mentor – giving a person the opportunity to take responsibility for themselves. In Basic, it's the same. We all know you aren't going to be sitting in the room month after month, so picture a person close to you sitting

in your seat for the next Basic. Replace yourself.

Wouldn't you like to be on a team or lead a team or join us in fun and celebration throughout the year? What does it take to become a champion? Call Melissa Heald, director of enrollment, at 513.874.0555.

## Leadership Training Offered In January

Leadership Training has been established to provide grads with additional skills and learning experience.

Life Success Seminars will be offering free Leadership Training to all IPI grads. The one night, three-hour course will be taught by Mike Monahan and Kathy Marx. Participants will receive \$50 off the cost of group leading after successfully completing the class. Leadership Training has been established to provide grads with additional skills and learning experience.

These skills can be applied to everyday life as well as for those who wish to group lead the Basic Seminar. Life Success is committed to providing students with everything they need to be the best leaders they can be.

The next leadership training is scheduled for January 29 from 6:00 p.m. - 9:00 p.m. If you were unable to make the training last year, we hope

that you will put this date on your calendar and join us in being the "best of the best."

Any graduate that goes through the training in 2008 and group leads in 2008 will receive an additional \$50 off the \$100 group leading fee. Please call Melissa today at 513.874.0555 to register for this seminar.

## Are You Ready For Basic? Give Intro A Try

Please join us for our complimentary one-hour introduction class to the Basic seminar which is held at the West Chester Conference Center. You can meet one of the course facilitators who will answer questions and provide a snapshot of what the week-end course entails.

This time will help you get a sense of what it's like to participate in the Basic seminar by providing an outline of topics and examples covered

during the course.

Typically, previous graduates attend the introduction session so you will have a chance to talk with them and ask about their experience and how the course made a positive difference in their lives.

Fostering Individual Greatness is the organization's top priority, so providing the information you need as well as understanding your goals and objectives are very

important to us.

If you or someone you know might benefit, please contact [mheald@LifeSuccessSeminars.com](mailto:mheald@LifeSuccessSeminars.com) or call 513.874.0555.

Intro is FREE and registration is not required. However, if you pre-register, a lucky winner will receive a \$270 gift certificate!
